

OPEN BOSCH AWARD 2022

OPEN
BOSCH

- Everyone within the Bosch Group can apply together with the partnering startup.
- Simply send an email to open@bosch.com.
- A selected jury will reward the best startup projects.
- Winners will be announced by Stefan Hartung at the Open Bosch Forum 2022.

“

Bosch constantly strives for ingenuity - that's why we are a global technology leader. We keep pushing our limits and are willing to walk new paths. This also includes collaborating with the greatest minds out there - especially highly focused and leading startups.

This year's Open Bosch Award 2022 recognizes the pioneers among you that mastered impact with external startups.

Take this chance to receive the recognition that you deserve. I am looking forward to your applications!

Stefan Hartung (G1)

”

How do we reward the winners?

- 10,000€ prize for startups (e.g. we will reimburse your travel expenses)
- You receive free media publicity ([see 2021](#))
- You meet & greet G1 and other top managers at the exclusive Open Bosch Forum 2022

Who can participate?

- You and your partnering startup have an established partnership.
- You demonstrate best practices and create mutual benefits for Bosch and the startup.
- You generate quantifiable impact.

About Open Bosch

Open Bosch is the Bosch Group's Venture Client unit. We enable the testing of leading startup solutions and set up partnerships with them. Successful startups can drive major innovation at Bosch. Let's make an impact together.
